

# Lloyd's Art Group

## New applicants

The Lloyd's Art Group is a collective of artists who are related to Lloyd's and the London insurance market. **The group is open only to members of the Lloyd's market community, including employees of Lloyd's brokers and the company market, and to their immediate families.**

Joining the group costs £30 a year which entitles you to take part in our annual Autumn Exhibition in the Lloyd's building and to a page on our website.

Photographic and digital art applications are subject to acceptance by the committee. Photographic submissions should be of artistic not just technical merit. Work in other media is not currently juried but in all cases the committee reserves the right to refuse any applicant whose work is not considered to be of high enough quality or poorly presented. Work should be original and not copies or prints, with the exclusion of art that is intrinsically a copy such as photography, lithograph, woodcut etc. in which case edition numbers should be clear.
